Kendrick-Horning.

wedding of interest to the people of Hondo was that of Miss Albertina Horning, daughter of Mr. and Mrs. W. Kendrick of Tooele City, Utah. The marriage was solemnized Dec. 25th, at Sacred Heart Church, Hondo, by Rev. Father Strittmatter. The ring ceremony was held and the services were in Christmas spirit—carols and Christmas songs being sung.

The bride was becomingly attired in a Mikrom-model suit of dark blue tulle with harmonizing accessories of corsage of bride roses and orange blossoms, the latter having been a part of her mother's wedding wreath of 50 years ago.

Eastern Star Entertain.

Monday night the Eastern Stars entertained with their Christmas reception at which time they took in the evening candidates: Meadames Daisy Holman, Lizzie Starnes, Ruth Jensen, and Mr. Clyde Holloway. The was tastefully decorated in Christmas colors.

After the initiation a short musical program was enjoyed and refreshments were served to about fifty guests.

Mrs. Cockrell had charge of the program; Mrs. O. Fly, the program, Mrs. Crane, refreshments.

The main feature of the evening was the officers drill, led by Mrs. Beth assisted by Mrs. Dr. Brad-

and Mrs. McNutt of Sinton were the honor guests.

Fritz Fuchs, the big oil man, here again this week securing and signing up drilling contracts. Mr. Fuchs, himself a geologist, is firmly convinced that a big oil field exists in this section and proposes to demonstrate the correctness of his theory by an intensive drilling campaign at an early date. We understand that he proposes spudding in a well at the J. P. Nixon ranch, near Hondo, as soon as land titles can be secured and drilling equipment assembled.

Regular term of the county court convened at the court house Monday, Jan. 3, 1921.

PARKER'S

Mrs. Cockrell Entertained.

Mrs. Morris Malone entertained at her home in Sabinal Thursday afternoon, honoring Mrs. Frank Scott Cockrell, her sister's guest. The home was artistically decorated in lavender and green chrysanthemums. Favors were dainty lavender and green linen handkerchiefs.

The guests played some interesting games of Bridge and "42." Then several wedding songs were sung, suggestive of the surprise to follow. For when the delicious salad course was served, there was found on each plate a tiny bridal basket, announcing the date of the approaching marriage of Mr. Elmer Rothe and Miss Anna Lyell, Jan. 25, 1921. For some minutes the air was full of congratulations and good wishes, after which the guests departed, carrying with them beautiful memories of a pleasant entertainment.

Old-time hunters had better look to their laurels. Two young Richmonds have entered the field and, if their exploits in chaparral the past week was maintained, some of the old timers will have to "go way back and sit down." Preston Gaines and Marion Davis both caused a decrease in the deer census the past week, Preston bringing in his on Christmas Day, while Marion's fine 8 prong buck fell before his trusty 30-30 early Tuesday morning. He was a fine specimen of the monarchs of the forest and tipped the beam at a little more than 150 pounds.

Don't forget the great rabbit drive which is to be pulled off today. Bring old "Silent Betsy" and a liberal supply of cartridges along and join in the fun—for the hunters. It is probable the rabbits will fail to see any amusement in the affair.

The Misses Lacy delightfully entertained a large number of the young people of Hondo at the E. W. Lacy ranch home Wednesday evening. The weather, as though entering into the spirit of the occasion, was on its good behavior, was balmy and pleasant, and the jolly crowd enjoyed the evening to the fullest. At the midnight hour the merry throng began to disperse, but the pleasant evening spent at the Lacy ranch will remain a pleasant memory to those present for many years to come.

Sergeant and Mrs. Geo. Kellems are here from Kelley Field visiting Mrs. Kellems' parents, Mr. and Mrs. C. R. Gaines. Sergeant Kellems and Mr. Gaines were out on a hunt Thursday in a last effort to get their quota of bucks before the close of the hunting season.

In Remembrance of our Beloved Uncle, Louis Graff.

Dear Uncle you have left us
Lonely are our hearts today.
Death has of you bereft us
Taken you so far away.

You have crossed the dark cold river
Angels hold you by the hand,
You are safe from storms forever
Safe within that promised land.

How we miss your gentle foot-steps
Miss each kind and loving word.
No more in this lonely house hold
Will your tender voice be heard.

Dear Uncle how we loved you
No pencil write no tongue can tell
But the gentle Shepherd called you
And we must say fare well.

True, yes true he was to all
Smiles forever upon his face
Sorrowful we looked upon him
E're was given his resting place.

Gone, yes gone! He has left us
Yes forever we did part
Joy for sorrow does always come,
Sorrow for us is very hard.

Left us! Yes forever more
But we hope to meet our loved one
On that bright and happy shore.

His niece, L. B.

Mr. and Mrs. Andrew Spratt and granddaughters, Misses Millie and Paula Spratt, passed through Hondo Thursday en route to their home at Sprottsylvania from a visit to Mr. and Mrs. Spratt's daughter, Mrs. August Schellhouse, at George West. Mr. Spratt says that section is also suffering for the want of moisture; he also says that a great deal of cotton remains unpicked on the farms, the high price of picking and the low price of the staple making it unprofitable to gather it.

FORCED TO QUIT SAYS DEPOT MAN.

Had No Strength and Nerves
All To Pieces - Tanlac Put
Him Back On Job.

"I gained sixteen pounds in weight in three months after I started taking Tanlac and am now enjoying better general health than I have in years," said Robert Waldy, 308 Gordon street, Topeka, Kans., who is employed at the Rock Island Railroad depot.

"For the past four years," he continued, "I had suffered from stomach trouble and nervous indigestion. I could seldom retain a single thing I ate and after every meal I would fill up with gas something awful. My head ached just about all the time and often I became so dizzy it was all I could do to keep from falling. I continued to go down hill until I got so weak I was not able to do my work, and my nerves were in such bad condition it was almost impossible for me to get any sleep and I would lie awake nearly all night long every night of my life. I was also troubled a great deal with constipation for which I had to be always taking some sort of laxative. Finally I got in such bad shape I did not try to eat a thing but boiled sweet milk and do what I would I could not regain my strength or get any better, and was in a terrible fix when I started taking Tanlac."

"I had heard so much about the benefits others were receiving from Tanlac I decided to try it. Well, I had taken two bottles of it before I could notice much improvement in my condition; then my appetite began to get better and I commenced to regain strength. I kept on taking it until now I have a splendid appetite and eat just anything I want and everything agrees with me perfectly. The headaches and dizzy spells have left me entirely, my nerves are in such fine shape I sleep all night long without ever waking up and always get up feeling greatly refreshed. I have regained my strength completely, am back on the job working every day and have been entirely relieved of constipation. In fact, I am in perfect health every way. Tanlac has certainly put me on my feet and I am glad to tell others about what it has done for me."

Tanlac is sold in Hondo by W. H. Windrow; in Castroville by Joseph Courand & Co.; and in Dunlay by Louis A. Haby; and by all leading druggists.

A TONIC

Grove's Tasteless Chill Tonic restores Energy and Vitality by Purifying and Enriching the Blood. When you feel its strengthening, invigorating effect, see how it brings color to the cheeks and how it improves the appetite, you will then appreciate its true tonic value.

Grove's Tasteless Chill Tonic is simply Iron and Quinine suspended in syrup. So pleasant even children like it. The blood needs QUININE to Purify it and IRON to Enrich it. Destroys Malarial germs and Grip germs by its Strengthening, Invigorating Effect. 60c.

FRED FISHER TELLS HOW HE DOES IT

Once the house had been a pri-
vate brown-stone dwelling. Little
the family that had lived there
dreamed it would be one day a
center of song publishing, which
means hustle, bustle and tussle
set to music. There I found Fred
Fisher, on the top floor, going
over a new song with a powerful-
looking lady who reminded me of
the immortal Maggie Cline in her
best days. After she left, at the

peak of enthu-
siasm for the
humorous num-
ber Mr. Fisher
was demon-
strating for
her, he looked
me over.

"You are the
discoverer of
'Dardanella,'" I
began, when he
held up his
hand like a
traffic cop.

"I did more
than discover
it," he said, a
twinkle in his
eye, "but what
else would you
like to know?"

"What do
you think of the
day it is a protection
from the Sun and Wind. In
the evening its use
assures a faultless complexion.

A happy and prosperous New Year to one and all!

Died.

Mrs. George Mangold (nee Schwendeman) died at 4:20 o'clock p. m. Wednesday, December 22, 1920, aged 81 years, 4 months and 23 days. She was born in Senteim, France, July 29th, 1839, and came to this country with the Castro colony in 1845 at the age of 6 years. In December 1858 she was married to Mr. George Mangold. This union was blessed with 11 children; 6 preceded her in death. 5 are living, namely August Mangold of Tarpley, Louis Mangold, Mrs. Mary Schneider, Miss Perpetua Mangold, of Castroville, Valentine Mangold of San Antonio. Two sisters of the deceased survive her; they are Mrs. Joe Huesser of Castroville and Mrs. John Monier of San Antonio. She also leaves 31 grand-children and 30 great-grand-children.

Twelve of her grand-children acted as pall bearers and honorary pall bearers.

She was a member of St. Anne Society, which attended the funeral in a body. She was laid to rest at the St. Louis Cemetery after a Requiem Mass on Friday morning. A very large cortege of mourning relatives and friends escorted the remains to their last resting place. We join this entire community in sympathy with the bereaved and grief-stricken ones. R. I. P.

Our young friend, Joe A. Bader, spent the Christmas holidays at D'Hanis.

Mr. Ed. J. Keller of Devine spent Sunday with his best friend in our midst.

The Christmas Dance at the Empire Opera House came off on schedule time and was largely attended.

Mrs. Monier and daughter, Annie, of San Antonio, were out from San Antonio for the funeral of Mrs. Mangold.

Mrs. August Wurzbach and daughters visited Mr. Wurzbach in Santa Rosa hospital Sunday. We are glad to report that Mr. Wurzbach is doing so much better than last week.

Mr. and Mrs. Arnold Wurzbach were here from Riomedina Xmas day.

Over fifty years ago a young physician practiced widely in a rural district and became famous for his uniform success in the curing of disease. This was Dr. Pierce, who afterwards established himself in Buffalo, N. Y., and placed one of his prescriptions, which he called "Golden Medical Discovery," in the drug stores of the United States so that the public could easily obtain this very remarkable tonic, corrective and blood-maker. Dr. Pierce manufactured this "Discovery" from roots and barks—a corrective remedy, the ingredients of which nature had put in the fields and forests, for keeping us healthy. Few folks or families now living have not at sometime or other used this "Golden Medical Discovery" for the stomach, liver and heart. Over twenty-four million bottles of this tonic and blood remedy have been sold in this country.

I would have bearing-down pains in my side and back — especially severe across my back, and down in my side there was a great deal of soreness. I was nervous and easily upset.
